

## ***Holy Family Society of Guardian Angels Church***

The Holy Family Society of Guardian Angels Church meets on the third Monday of the month, except for July and August. In September October, November, December, April, May and June we meet at 7 pm in the Guardian Angels Parish Center. In January, February and March we meet at 1 pm. During the course of the year, the Holy Family Society does various projects for the Parish Center when needed. This has included repainting and buying new chairs for the dining area and acquiring a new stove for the kitchen. We provide vestments and altar linens as needed by the priest. We assist with decorating the church on Holy Days and also help clean the church when needed. We are available to provide funeral luncheons, church receptions, breakfasts and other meals as requested for special church occasions. We have several fund raisers throughout the year. These include a Valentine and Labor Day bake sale. We hold a St. Patrick's Day dinner, and have sold a series of Christmas ornaments depicting our church. Baptismal garments are made for the babies being baptized. We honor the women of our church with a Mass Intention on Mother's Day and All Soul's Day.

All women of Guardian Angels are members of the Holy Family Society and are encouraged to attend the meetings. If you are available on occasion or for special projects, please inform us of this. All help is welcome.

Please contact the CCM Office for information.
