

Homebound Ministry

Extraordinary Ministers of Holy Communion from each of the three churches of the Catholic Community of Manistee are trained how to serve those unable to attend weekend Masses. These ministers visit with the homebound and take Holy Communion to them as an extension of the community that are present at Mass. Anyone who cannot attend Mass or knows of someone who cannot attend, should call the CCM Office so that we can assign someone to visit them. We also have ministers who go to Manistee County Medical Care Facility, West Shore Medical Center, and outlying foster care homes each week.
